

# SPLATTER

**Maltese Militia  
Paintball Team**

Volume 1 Issue 11  
December 2007

## HAPPY HOLIDAYS!

### Trial Scenario at Airsports

Airsports Paintball held a mini scenario on October 28th to be able to provide a test run on an idea for a full scenario scheduled for next season. They had some very interesting twist and ideas for the event, and it was great to try them out before the full scenario.

Several of the Militia attended the Dawn of the Dead game and had a pretty good day of paintball. The day was a little cool, but the play was hot. The ideas for the missions were unique and with a few tweaks it will make for a fun event. Several missions were run with a team only allowed the paint they could hold in the hopper. This made players really think about the shots they took. It also seemed to provide an advantage to the team with unlimited paint. In order to help equalize the playing field points for player hits were counted differently for the sides with hits on a player with unlimited paint giving more points.

### New Supporters added for 2008

Two new team supporters have been added for 2008. Welcome aboard to **Stinger Paintball Designs** and **Motosolutions, makers of Fog-tech**. The two companies provide all of paintball with a great product and top of the line customer service.

Stinger Paintball Designs make custom grips and hopper shells. They have them from mild to wild and fully custom. They make the fully custom grips seen on the markers of several members of the Militia.

Motosolutions makes one of the best anti-fog products available called Fog-Tech. It is the only solution that we have found that provides true anti-fog even with eyeglasses worn under the goggles.

Both of the companies will be supporting a new concept for us. In 2008 we will be giving away a prize package to a single lucky winner at many of the big events that we will attend. Watch future editions of the Splatter for details on the prize package and other supporters we hope will step up and make this a great package.

### Captains Corner

It seems that I have a couple of things to talk about this month.

First is the attack on Paintball that is coming from the State House

in Boston. A senator in the eastern part of the state has put a bill up for consideration that will restrict paintball and players. While the whole bill is not bad for paintball, a couple of parts are. Go to our web page for details and links to the Bill and the Senators. We have continued a letter writing campaign in order to help to change this bill to something that is much better for paintball.

The second item is a team meeting. We will be meeting on Saturday January 5<sup>th</sup> to cover the 2008 schedule and to set some team goals.

## 2007 An Overview

In 2007 the Maltese Militia had a very good year. We attended more events, several new fields, and had a great time doing it. We also added a new member to the team, and a couple of new team supporters. Overall, the team had a fun filled, exciting year with great events, and we got to play alongside of a bunch of cool teams and individuals. Thanks to all who helped make this our best year yet. Below are some of the specifics from the 2007 season.

First off, we want to thank and congratulate all those great companies that supported us this season. They are all listed in the column to the right. They made a lot of what we did more fun. This includes our two newest additions that have signed on now, but we will feel the real impact from them in our 2008 season. We also welcomed to the team one addition for 2007, Smack. He brings a much faster style of play and is a blast to run with. We can't wait to see him more in 2008.

We attended 13 major events at 5 different fields in 4 states. We won Most Valuable Team at the Operation Aegis Strike event at Hornetsnest Paintball in Ancramdale, NY. We wrote, produced and ran our second scenario game, Queen Anne's Revenge in August and raised funds for MDA. We also took part in an event to raise money for Autism at our home field. The one thing that we are most proud of is our commitment to help collect Cell Phones for Soldiers at all of our events in 2007, something we are continuing in 2008. With all of that going on, we never lost sight of our number one goal in paintball, to have fun!

To all those who we ran with and against this year, to all the teams and individuals that helped us to play a better game, to the field owners and staff, we say THANK YOU! for helping this year to be the best ever.

### Schedule:

December 14 <sup>th</sup>	Hornetsnest Paintball Group Event	Ancramdale, NY Indoors/Outdoors
December 23 <sup>rd</sup>	Airsports Paintball How the Grinch Stole Christmas	Ludlow, MA
