## Close Quarters Battle Tournament

Just after this issue goes out, we will be hosting our very first tournament. We have joined forces with the great folks over at Hornetsnest Paintball to hold a Close Quarters Battle Tournament. 8 teams have already signed up so it should be a fun day of intense action. Watch the web page for the pictures and videos as well as complete coverage in the February issue of "Splatter". The event will be held on December 30<sup>th</sup>.

## 2008 – A Look Forward

As we near the end of 2007, we are starting to look forward towards the New Year. We have a team meeting set for the 5<sup>th</sup> to start and plan our assault on 2008. We are looking at attending a couple of new fields, PnL Paintball and OSG Paintball. We may also look into the possibility of traveling out to Michigan for the Michigan Monster Game. The Michigan trip is a long shot for this year, but it will be a game we keep our eyes on. We will also be visiting some old friends. We will be returning to Airsports Paintball, Hornetsnest, EMR, Strategy Plus and Fox 4 and Xtreme in CT. All of these fields have great events and the best of players and staff.

We will also be continuing our efforts to collect cell phones at all of our events in 2008. They will be turned over to the Cell Phones for Soldiers group who makes them into calling cards for your troops overseas. It is our way of saying "Thank You" to all the troops. Along those lines we have a member that is on the short list for deployment in 2008. If he gets deployed, we will keep him in our thoughts and prayers. You can also be sure that he and his fellow soldiers will have lots of calling cards while deployed.

A new idea we are going to try this year is a prize package give away at our major events. We have already signed Motosolutions and Stinger Paintball to this new idea, and we expect our other sponsors to follow us into our new package. Once we get a better handle on the 2008 schedule, talk with the rest of the sponsors; we will have a complete announcement about this new prize giveaway.

Finally, it looks like our CQB tournament at Hornetsnest is going to be a success and we are hoping to hold a second tournament sometime in February. Watch the web page and forums for details just as soon as we finalize those plans.

As you can see, 2008 should be a great year of paintball and we can't wait to get onto the fields. Watch the web page and the pages of "Splatter" for continued updates announcements and changes as we head into 2008.
