A Mid-season Break for the Militia

We had the busiest spring in team history with several events and a couple of events that were longer trips for us. With the price of everything going up and time being at a premium, we ended up missing a couple of events in June. Unfortunately we were unable to get down to our favorite CT field, Strategy Plus for the Finish It scenario game. We are looking forward to visiting our friends at Strat Plus later this year for the Special Olympic Fund Raiser event. We also missed, for the first time in several years, Western Worrs at EMR. We really enjoy EMR and are sorry that we could not make it for this great event. With the changes that they had made for the game this year, it was going to be the best ever. We will be attending the fall version of Pure Paintball Insanity known as Fall Castle Conquest. So to all those who we missed, we hope to see you all soon.

Hunt for Lost Vegas

Once again the fine folks over at Airsports are holding the annual fund raiser for Autis known as The Hunt for Lost Vegas. What started out as a Lost boys and G-Vegas vs everyone, has turned into a great day of paintball complete with Raffles, give aways, lots of players, and a whole lot of fun. Each year it gets bigger and bigger and this year should be no different.

This year's event is being held on Sunday August 24th at Airsports Paintball in Ludlow, MA. You can get complete information on the Airsports web page and forums at www.airsportspb.com. Thanks to Mike from the Lost Boys, and all the crew from Airsports for making this a premier Western MA event each year.

This year the Maltese Militia will be donating multiple prizes as well as our custom prize package to the raffle table. We are also going to supply the Ref staff in order to get more money to be able to be donated to the Autism folks. Several of the larger prizes are being raffled off separately and you can get tickets from the folks over at Airsports. This will be an event not to be missed, come on out and have a great day of paintball and support a wonderful cause.

Paintball 101

Due to some vacations and family events only Chicken Fried was able to make this event. He said they had a great time and hid Bow was a big hit. There was also a Speedball Tournament that day and he assisted a team that was short a player. You can see video at the Airsports Web page.

Spy Vs Spy

We once again made our way out to Ancramdale, NY for a scenario game at Hornetsnest Paintball. Rubber Duckies was putting on the game Spy Vs Spy, a take off of the MAD magazine comic. Grumpy lead the team along with S.O.C.K., Chicken Fried and Smack. They played well all day and were instrumental in guarding props and getting points.

It was a very hot day that took it toll on the players. But they played a hard fought game. With no cheating noticed and everyone having a great time, it was a successful event. The team was able to renew old friendships and make some new ones. In the end we supported the winning side and had a great day of paintball.

Grumpy had the following thanks to send out:

I just wanted to thank everyone for a great game and day. Frank, we were glad to be your "body guards" for the day and do a little prop collecting ourselves. Black Spy and Team, you guys made it an interesting day and kept us on our toes, thanks, you played a great game! I need to thank my guys for making the game on short notice: Black Spy did "meet" SOCK but in true spy fashion you declined his surrender offer! Chicken Fried made a "unique" White Spy and stayed hit free.

SMACK, I didn't see you much but did hear that 08 Ego make some "new friends". Thanks to our mascot "Poodle", he did everything we asked of him and more.

A Very Special Thanks: Pete and the Rubber Duckies for putting on a simple but great, well run event, just like the cartoon 🦆. Bob as always you have a great field, staff, and operation. Thanks to every team and player (hope I don't miss anyone but it was a long day): Delta, Albany Marshals, Mass Hysteria, Crispy from Strategy Plus, Frontline, SP Army, Extreme Measures, Lower Westchester Joe, Fire for Effect, all the walk-ons, and anyone I missed.

Original White Spy Louis- although the Militia has only played with you twice we are very impressed with your "get it" style of play and the fact that when we run together you always give a 100% to the task, whether it is the "get it" thing or just guarding a ridge. I nicknamed you "mini" at POW cause I didn't know your name and that was what you were shooting. Trust me, watching you play there is nothing "mini" about you Marine. Please be safe.

Fall Castle Conquest

I wanted to remind everyone that we are trying to get the whole team to attend the Fall Castle Conquest at EMR in PA. This is going to be a great event, as always. It currently looks like we will be attacking this time. Since we defended the last 2 events, it is time for us to hump the hills and take our turn at getting into the castle. The event is September 27th. We will be traveling on Friday the 26th and arriving home on Sunday the 28th. Lodging will be at the Holiday Inn Express in Gibson, PA. Team members are reminded that the team will be paying for your first case of paint for this event. Lets get everyone going and make this a weekend of fun, and show all those folks at EMR we can play a mean game of paintball.
